

How to setup Stripe Connect* as an Individual / Sole Trader

*Stripe Connect is owned by Stripe Payments Europe, Ltd. We use Stripe as our payment processor and are not affiliated, associated or endorsed by Stripe in any way.

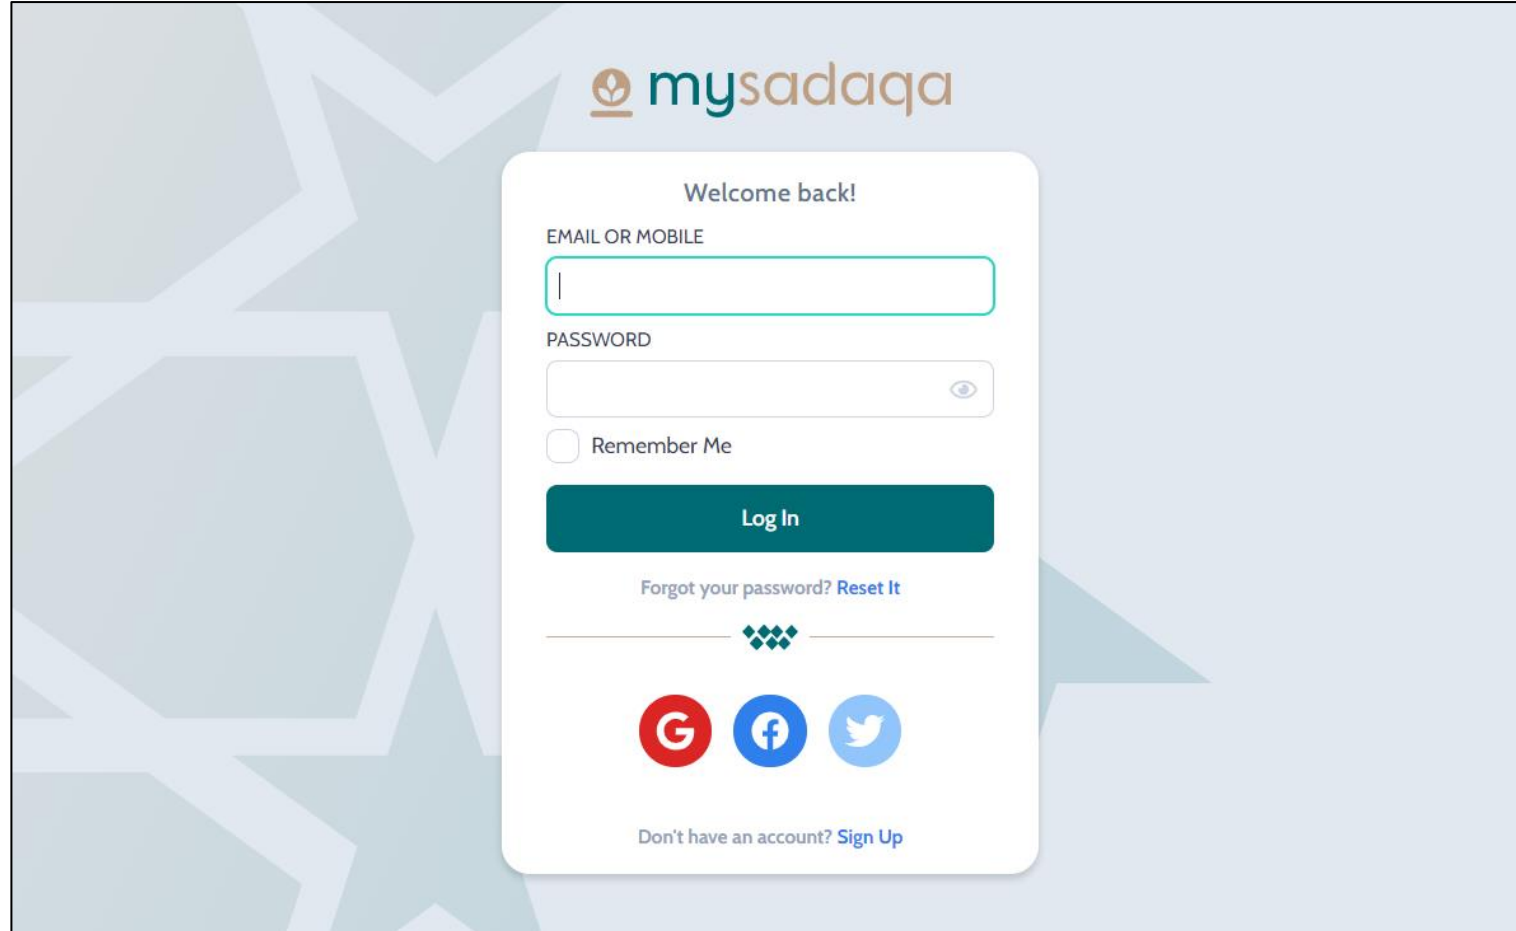

Overview

- Stripe Connect gives project creators on mysadaqa the ability to receive pay-outs automatically into their bank account

This guide will show you how to setup Stripe Connect via your mysadaqa account!

1) Start by logging into your mysadaqa account

The image shows a login form for the mysadaqa website. The form is centered on a light blue background with a faint star pattern. At the top of the form is the mysadaqa logo. Below the logo, the text "Welcome back!" is displayed. The form contains two input fields: "EMAIL OR MOBILE" and "PASSWORD". The "EMAIL OR MOBILE" field is a simple text box. The "PASSWORD" field is a text box with a small eye icon to its right, indicating a toggle for password visibility. Below the password field is a checkbox labeled "Remember Me". A dark teal "Log In" button is positioned below the checkbox. Under the button, there is a link that says "Forgot your password? Reset It". Below this link is a horizontal line with a small decorative icon in the center. Under the line are three social media icons: Google+, Facebook, and Twitter. At the bottom of the form is a link that says "Don't have an account? Sign Up".

7) You will now need to choose your business type*

The screenshot shows a web form for selecting a business type. On the left, a teal sidebar contains the mysadaqa logo and a message about Stripe partnership. The main white area has a progress bar at the top, followed by the heading 'Tell us about your business'. Below this is a label 'Type of business' and a dropdown menu. The dropdown is open, showing four options: 'Individual / Sole Trader' (highlighted), 'Individual / Sole Trader', 'Company', and 'Non-profit'.

Company

Non-profit

*Please ensure you choose the right business type! Stripe do not currently allow users to change the business type once selected.

8) Click the “Next” button once chosen

The screenshot shows a two-panel interface. The left panel is a dark teal sidebar with the mysadaqa logo and text stating they partner with Stripe. The right panel is white and contains a progress bar, a title, a dropdown menu for business type, and a 'Next' button. The 'Next' button is highlighted with a red rectangle.
